

SLATTER
MANAGEMENT SERVICES, INC.
COMMUNITY ASSOCIATION MANAGEMENT

Should We Change Our Property Management Company?

The role of a Board Member is challenging enough, but when your management company isn't meeting your expectations the whole Association is affected.

At Slatter Management, we:

- **Provide you with a Transition Team** to ensure a smooth and seamless change to Slatter Management Services in as little as five business days.
- **Communicate** through returned phone calls, e-mails and personal visits. Custom Community websites provided by Slatter enables the prompt sharing of information, keeping everyone informed.
- **Contract Professional Vendors** that exceed your Association's expectations and stay within budget.
- **Enforce the Governing Documents** by collecting delinquent dues and resolving covenant violations using our proven and effective methods.
- **Facilitate Successful Meetings** by providing up to date financial and management reports ensuring meetings are concise and effective.
- **Provide Education and Training** for new and existing Board Members including updates and changes to Association laws.

Slatter Management's years of experience, tested and refined management processes and professionally trained staff ensures there will be fulfilled promises and great service. Proudly serving North Carolina for over 10 years.
